

The FLAGS line is characterised by the variety of range and dimensions. All flags feature a telescopic steel structure and nautical flag fabric.

Customisation is our forte!

Ideal for effectively communicating promotions, presence and enhancing your company.

They are suitable for both indoor and outdoor use.

The whole line is fully customisable with sublimation printing to always guarantee perfect image quality.

Each flag is supplied with a basic kit and with a convenient and practical carrying bag.

TECHNICAL DETAILS

Each flag is supplied with a painted cross base complete with ballast and a convenient carrying bag.

Thanks to Gazebo Flash anchoring accessories, you can make your flags even sturdier and more resistant, both on sandy soils (with plastic or steel tips), and on hard surfaces (with plastic or steel bases).
